

Spring 2018 VPR Workshops

Recent Updates: UK Research

*Monday, January 22nd, 2:30-4:00pm
WT Young Library Auditorium*

***Who should attend:** All faculty who do research should hear about changes in the UK Research infrastructure designed to improve your chances of securing extramural support, while adhering to regulatory guidelines.

2:30—F&A: Lisa Cassis

2:50—eIRB: Helene Lake-Bullock

3:05—OSPA Data Portal and SciVal: Baron Wolf

3:35—Limited Submissions Portal: Billy Clark

Grant Writing Strategies

*Monday, January 29th, 1:00-4:00pm
Gatton College, Room 233*

***Who should attend:** New faculty, anyone who would like an introduction to any of the specific funding agencies and in particular NIH updates. Each workshop will be free-standing so attendees may come to the sessions that best fit their interests.

1:00-1:45pm—Grant Writing Strategies for NSF: Martha Peterson

2:00-2:45pm— Grant Writing Strategies for DOD/DOE: Rodney Andrews

3:00-3:45pm—Grant Writing Strategies for NIH: Craig Rush

4:00-4:45pm—Updates in Clinical Research: Helene Lake-Bullock, Kim Carter, Kathy Grzech

Mentor Training for Researchers

Session #1—Monday, February 26th, 1:00-4:00pm

Session #2—Monday, March 5th, 1:00-4:00pm

Gatton College, Woodward Hall

Please note that for you to receive a completion certificate for Mentoring Training, you must register and attend both sessions. Limited seating is available so please use the following link to register:

***Who should attend:** The Vice President of Research Office and Center for Clinical and Translational Science is pleased to offer a professional development opportunity for faculty who are currently mentoring or planning to mentor junior faculty and students. The Mentor-Mentee Relationship Training workshop is based on the evidence-based curriculum Mentor Training for Clinical and Translational Researchers. The workshop uses a case-based and interactive approach to explore effective mentoring strategies.
