beginning at 11:50 a.m.*

**Samden Lhatoo, MD, FCRP**

Professor, Department of Neurology, Case Western Reserve University  
Director, Epilepsy Center, University Hospitals Cleveland Medical Center

## Learning Objectives:

- . To discuss the latest evidence of SUDEP pathogenesis
- . To discuss current SUDEP research efforts
- . To discuss future avenues of SUDEP research

## REGISTRATION REQUIRED

To reserve your place, please email CCTS at [CCTS@UKY.EDU](mailto:CCTS@UKY.EDU) by **Monday, January 29, 2018**.  
If you require special physical arrangements to attend this program, please call 323-8545.

### CCTS Biomedical Informatics (BMI) Core

The Biomedical Informatics (BMI) Core provides access to biomedical informatics expertise, technologies, and data management platforms to CCTS and their investigators. The CCTS BMI team integrates the CCTS BMI Core, Institute for Biomedical Informatics (IBI) and the Institute for Pharmaceutical Outcomes and Policy (IPOP) housed in the College of Pharmacy.

The Institute for Biomedical Informatics (IBI) translates data to knowledge to improve human health and effectively use the latest technology and tools for the advancement of biological sciences. The IBI promotes translational team science and engages the entire campus to develop and grow informatics and data science training programs; share research and data infrastructure; and enable technology innovation.
