

## 2018 Igniting Research Collaborations (IRC) Program

Promoting new cross-college research collaborations

- Faculty from all UK colleges are eligible to apply for IRC pilot funding.

### 2018 IRC Networking Event

**Monday, April 16<sup>th</sup> – Boone Center 3-7 pm**

Contact your college ADR to participate and to get on the invitation list

- **3:15 pm** Presentation by 3 invited faculty (5 min each)
- **3:30 pm** Breakout networking groups (40 min)
- **4:10 pm** Reconvene/review ideas for potential collaborations (30 min)
- **4:40 pm** Breakout with different networking groups (40 min)
- **5:20 pm** Reconvene/review ideas for potential collaborations (30 min)
- **5:50 pm** Libations and continued networking

### 2018 IRC Pilot Application Process

- Pilot proposals **due May 29, 2018** to the Research Internal Funding Portal (listing coming soon: [www.research2.uky.edu/internal\\_support](http://www.research2.uky.edu/internal_support))
  - 2 page research plan
  - 1 page bio for each investigator
  - 1 page budget/justification
- Proposal solicitation (email) will be broader than those attending the IRC network event
- Networking event participation is not required for pilot proposal submission
- Proposal review will be conducted by ADRs/Department Chairs of participating colleges
- Pilot funding available **July 2018**
