Clinicaltrials.gov quick start guide
New users

General

• If you are new to Clinicaltrials.gov, email Joel.Thompson@uky.edu (UK CT.gov administrator) to establish a login and password.

• You will receive an automated email message from CT.gov informing you that your credentials have been created. Click the link in that email to login. You will be taken to the following screen:

![Login screen](image)

• The organization will always be “UKentucky”. Enter your login (listed in the email) and the temporary password and select “login”
New users
First time login

• You will now see the following screen upon login:

![ClinicalTrials.gov PRS](image)

- Select the “Accounts” tab, then “change password” to create your own unique password.

- If you forget your password, the system administrator can reset it. Simply email Joel.Thompson@uky.edu.
Forgotten password

• In the event that you have forgotten your Clinicaltrials.gov password, simply email the system administrator Joel Thompson at Joel.Thompson@uky.edu to have it reset.
Creating a new record

• To create a new record, select “New Record” in the upper left hand corner of the screen:
Creating a new record

- Having selected “new Record”, you will see the following screen:

![Screen with fields for Organization's Unique Protocol ID, Brief Title, Acronym, and Study Type]

- Please use your IRB approval number for the “Organization’s Unique Protocol ID”.

- Then answer the remaining questions on this page and the system will generate the required data elements and you can continue registering your study.
